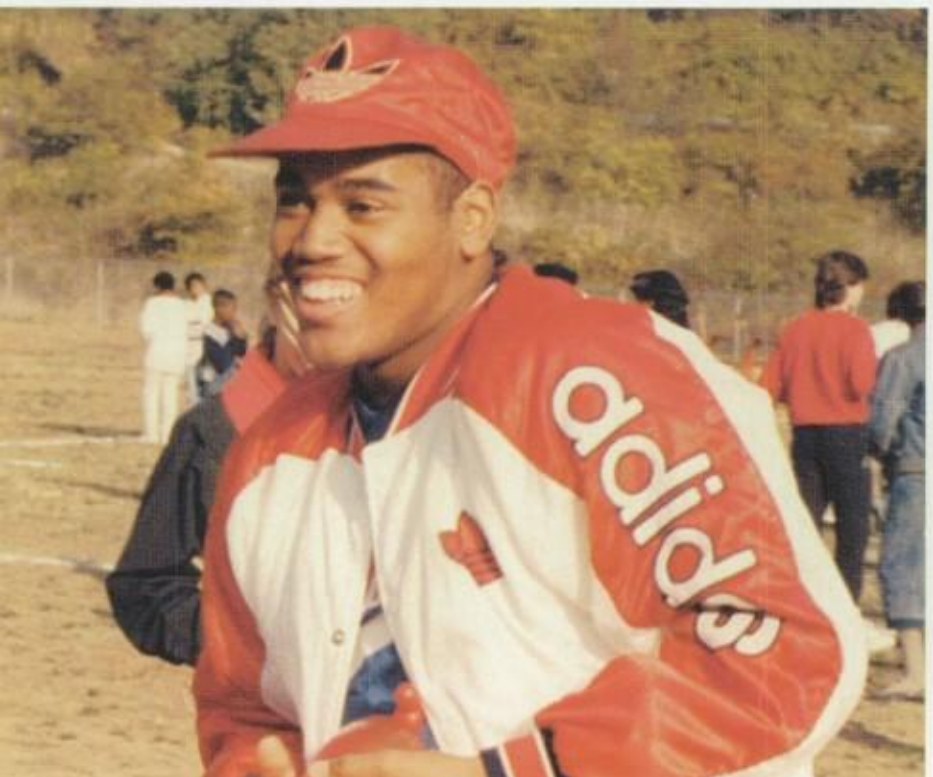
We're All In This Together

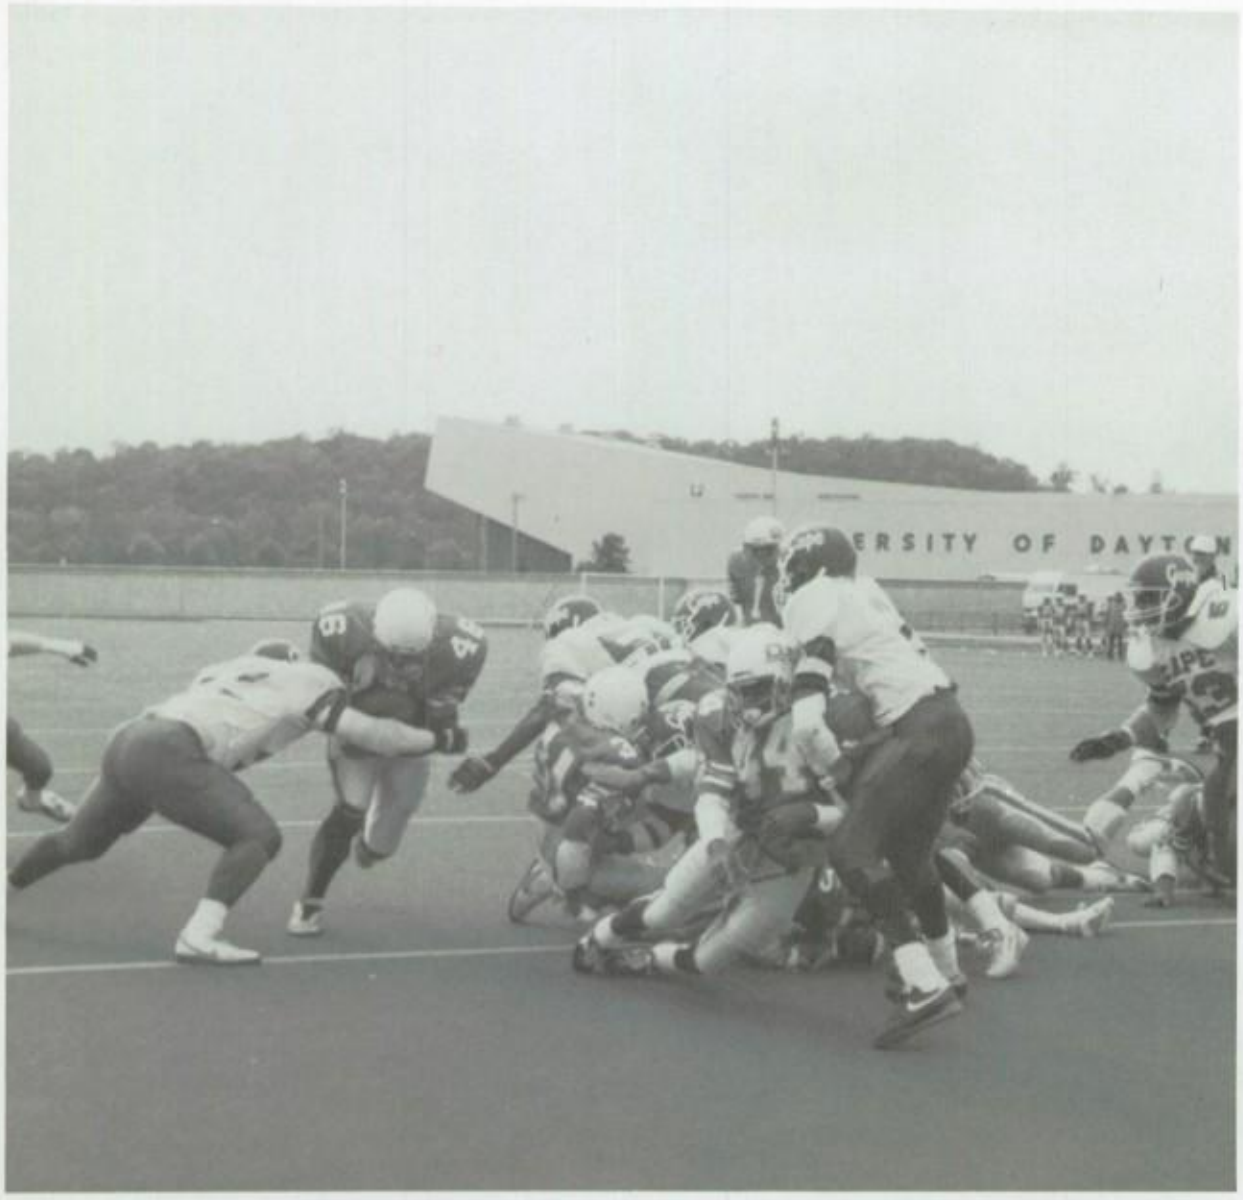
We Are Bonded By Spirit

We here at CAPE share a very special bond together called "SPIRIT". Spirit makes the school grow! Each year that passes by, the CAPE athletes strive for excellence. The attitude and determination makes the Crusaders number one.

Team work and spirit are the most essential outcome that each one of us has. Without those essential outcomes CAPE wouldn't be so special!! With the help and guidance from the coaches. teachers and student body makes it alot easier to have spirit. Students and coaches put in hours of practice each day. Despite the losing games, the team's spirit is lifted by looking forward to a winning game next time.

CAPE sticks together like family in academics and sport activities!! During athletic seasons, everyone supports the team by attending the games, making signs, and congratulating certain individuals on their great performance. That's why CAPE has such great spirit.





We Make Each Other Stronger!

Who is the one who makes you stronger? There are many ways to become stronger. Anyone can become stronger mentally through the dedication of teachers to their job, and the encouragement they give students to succeed. Another way they can become stronger is physically, through the relentless attitude of the physical education teachers and their power to instill in them the desire to be stronger and to be a healthier person. They can also become stronger emotionally through the support of friends in everything they do. They can always count on them to be with them through the good times and the bad. Parents are always there to make them stronger in every way, they never fail them or give up on them no matter what happens. Teachers, coaches, parents and friends are just some examples of people that make students stronger each and every day of their lives.

Practically anybody can give us enough determination to accomplish any task. It could be someone you don't even know. They are the ones that make us succeed and be the best in everything. One of the most important sources of strength is from inside ourselves, We can use that strength for our benefit and we can let it show to help the people around us to be strong in the tough situations that they face day to day.

All of these people make our lives a little easier and more enjoyable. If it weren't for all those friends around us, lending a helping hand, it would be impossible to create memories that can last a lifetime. Memories and hope for the future provide the incentive to go on, because when we remember what we've been through in the past gives us the strength to persevere.

When all is said and done, everyone in their special and unique ways has proved the truth in the statement 'We Make Each Other Stronger.'

Friends And Family

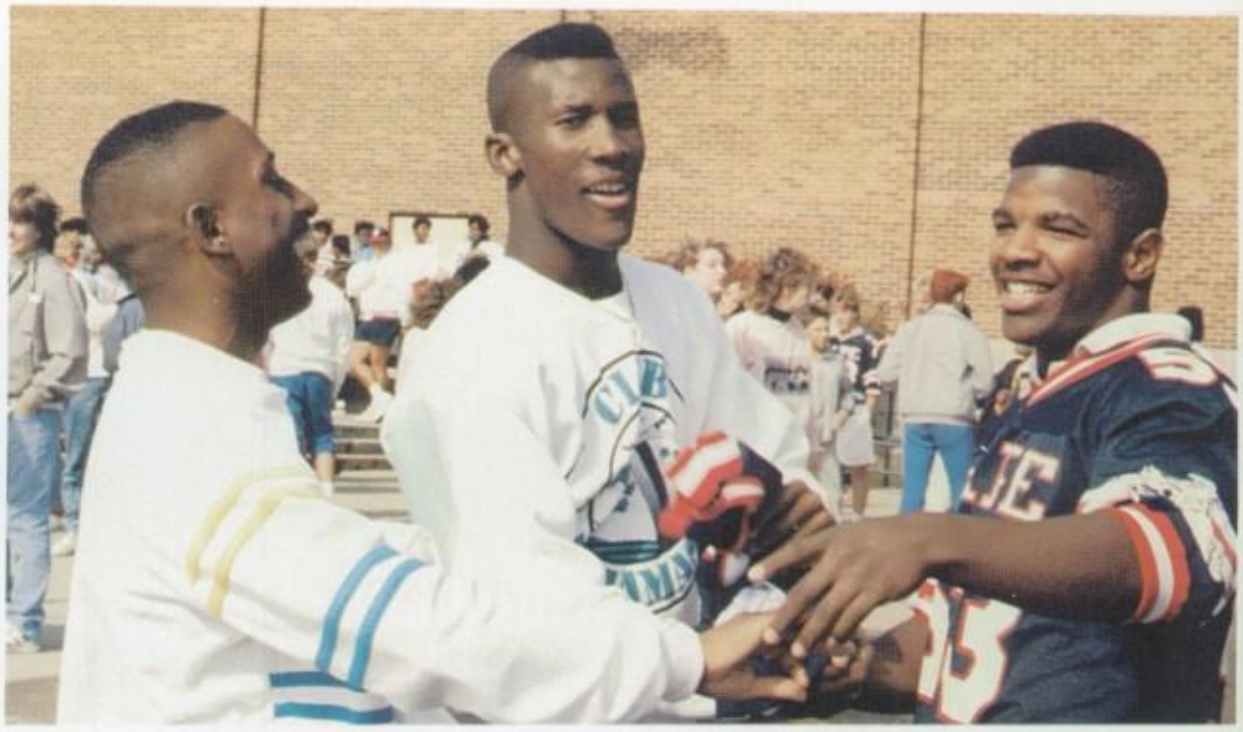
We have to cherish them, because someday they may be gone. Sometimes when the emotions grow too strong, the laughter turns into tears, but your friends are there. They may cry with you, but being miserable together can turn things around. Friends are the essential part of our high school years.

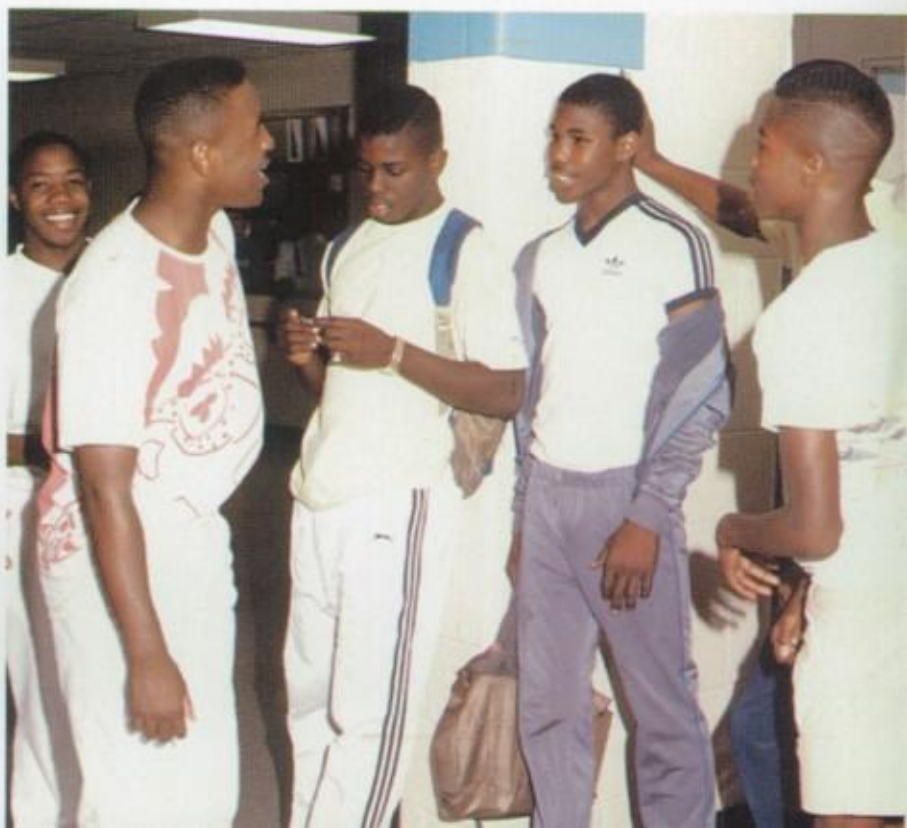
Friendship and togetherness go hand in hand. Together with our friends we've had the best of times. And with our friends we have withstood the worst of times. The good times, the dances, the awards, and the jokes, are all made even better with friends.

There are all types of friends. There is the ever important boyfriend/girlfriend. These are the people we like to sit close to, to be near. It is a different kind of friendship. In this "friendship" different dreams and feelings are shared than with other friends. Then there is your best friend, the only one you share your deepest hopes and fears with. Best friend — a person who knows you inside-out, and loves you anyway.

Our parents, teachers, and coaches give us guidance from a different perspective than peers our own age. Their experience through their lifetime gives them wisdom. Believe it or not, they can be friends too.

The friendships we make here at CAPE are special.





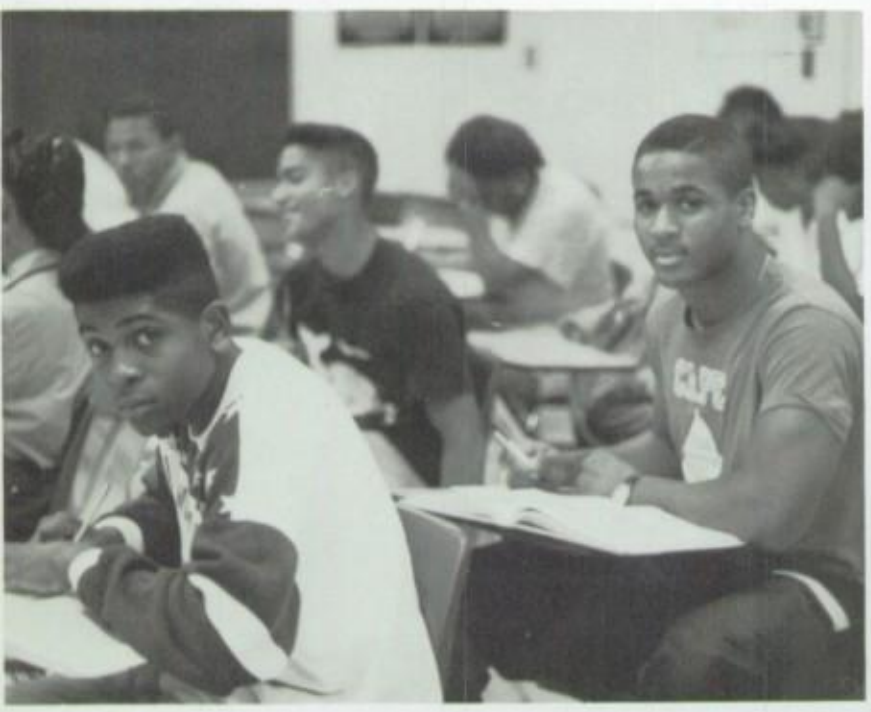
Many Moods

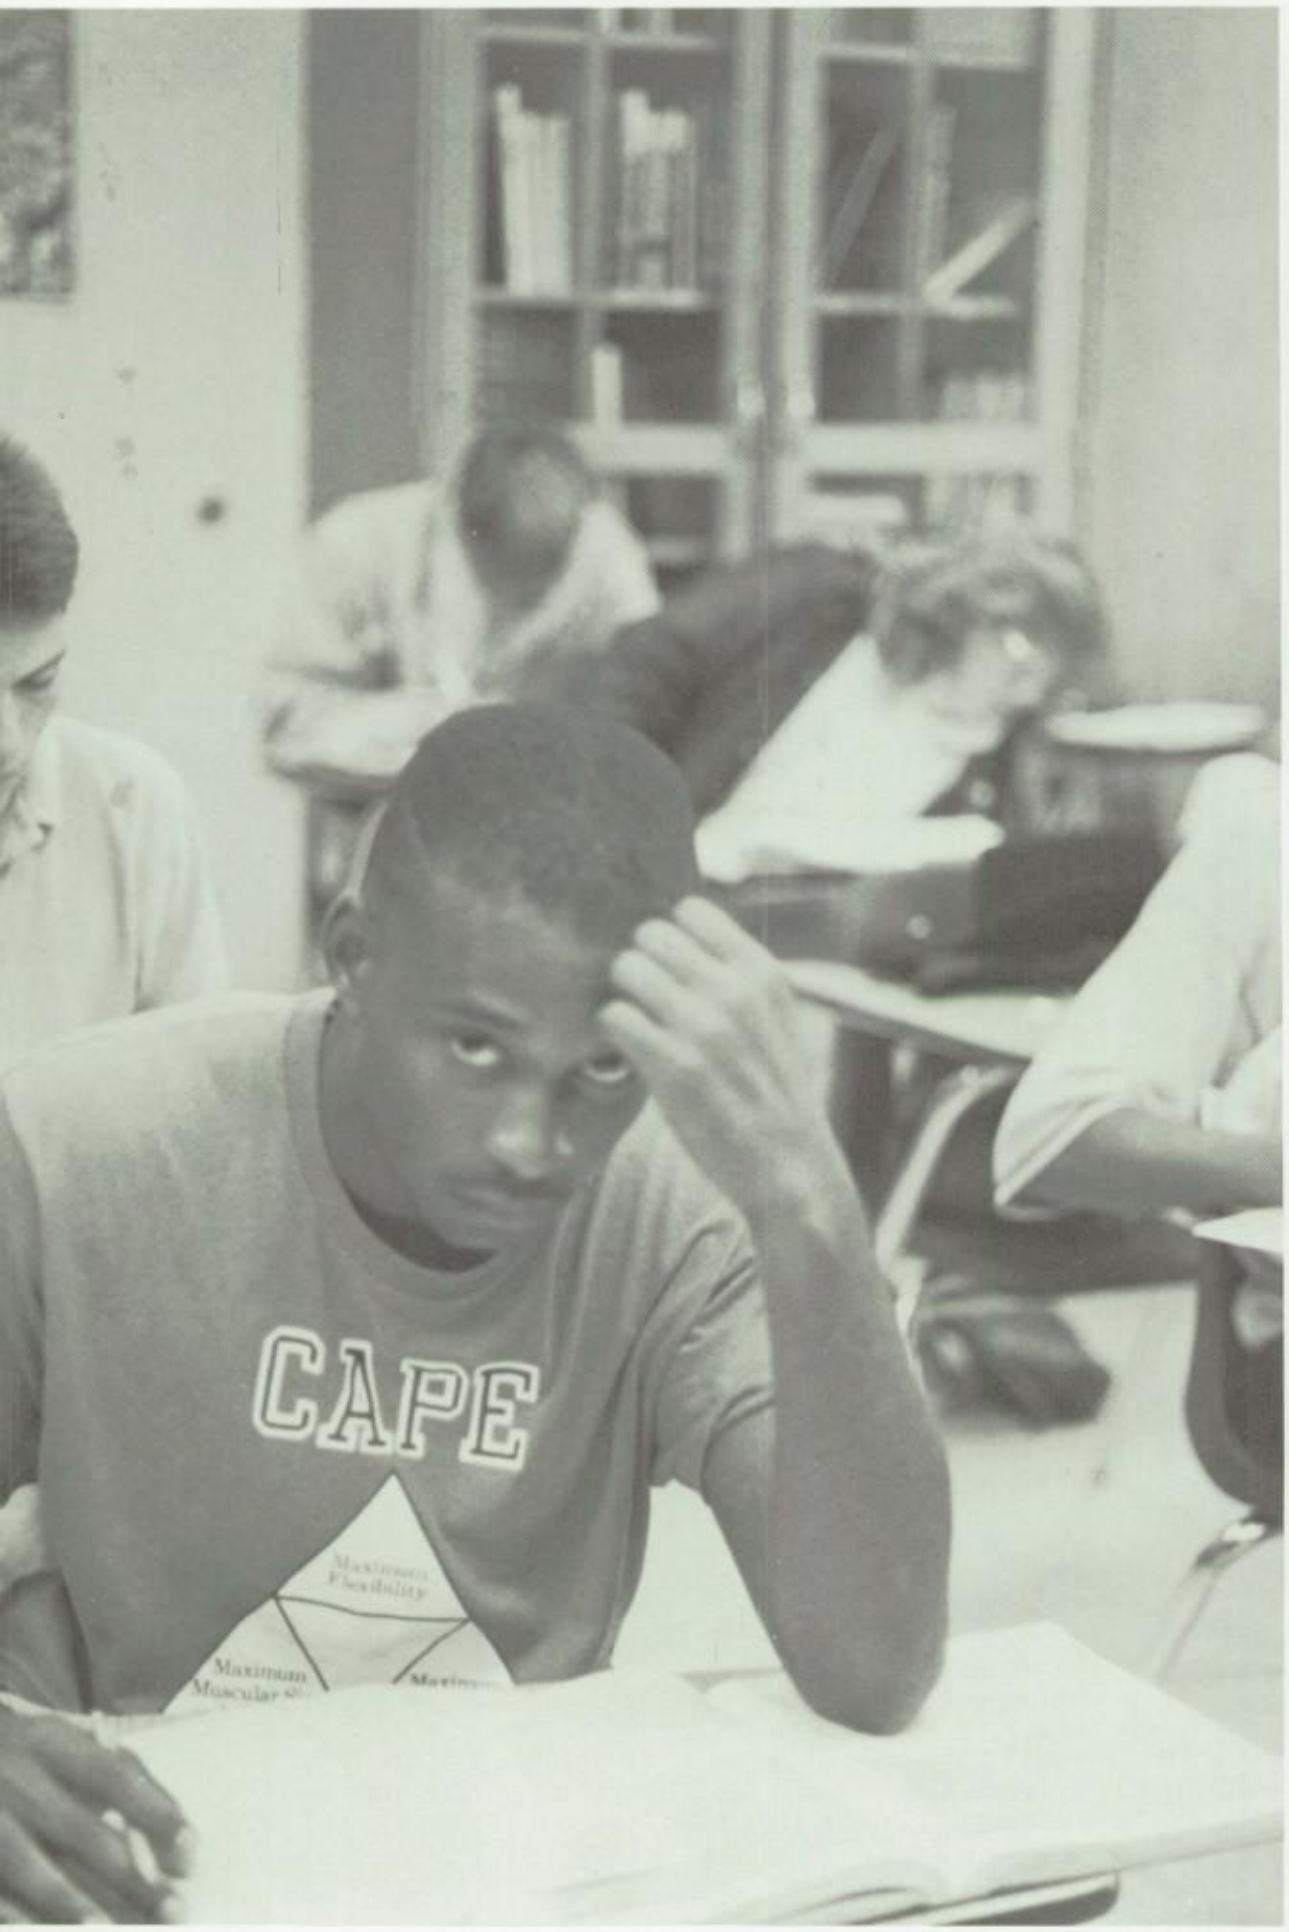
It doesn't matter what day or time of the week it is, sometime or another we all will express different moods. Getting up early Monday through Friday is no picnic. Throughout the week, moods change. Take for example the student who waits for the last minute to study for a test. That student can easily be up to one or two in the morning just trying to pass with a "C". They fall asleep only to be awakened and take the test. I'm sure everyone has been in this situation before, so you know many different moods will come out of this experience. It could be happy, sad disappointment, anger, and maybe even a sigh of relief. Whatever the case may be, you can be sure that the mood will have some effect on you as well as others.

Not only are different moods expressed in schoolwork, but in sports, friendships, and relationships as well. In sports, there is competition for titles, championships, points, and prizes. Expressing victory or sometimes defeat, can be different to different people. It could be a football game, soccer, basketball, or even track, and the moods will reflect the scores. Sometimes it feels that in order to have a victory you must first experience defeat.

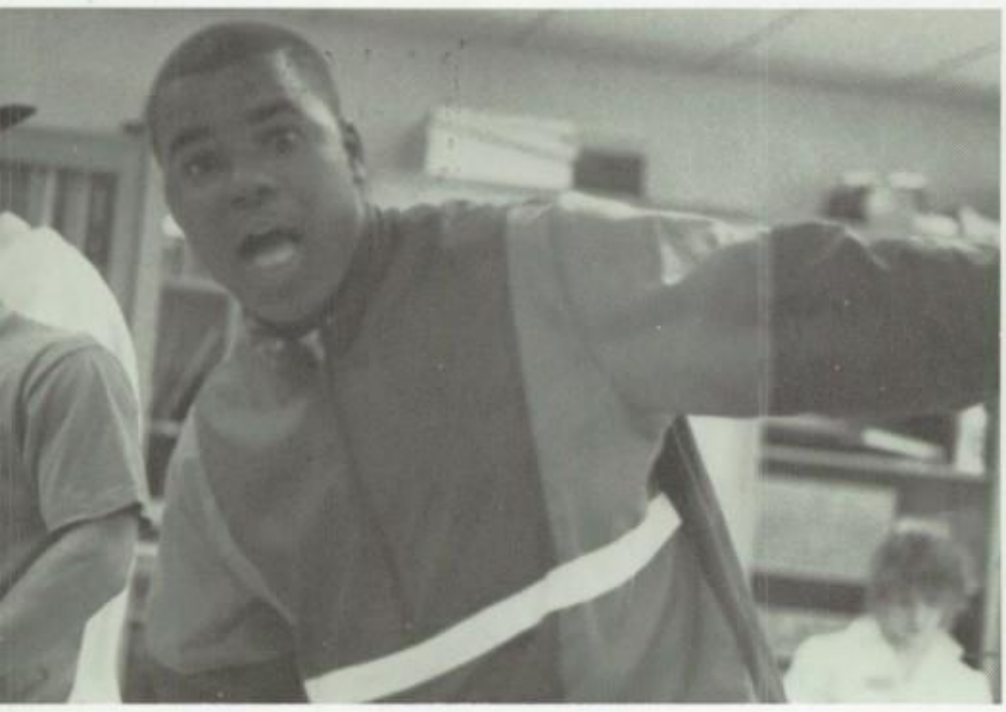
Relationships and friendships are treasured for a lifetime. Whether it's the experience of a first kiss or the solving of a best friends' problems, the memories linger on. Feeling warmth, love, compassion, fear, loneliness or sometimes rejection, it's all a part of growing up.

No matter what the mood may be, realization is that it will effect many people. So the next time you see someone in a bad mood, cheer them up and remember we all are in this together. And with each other we can make it. So "when the world hands out lemons . . ." The world will appreciate it much more!





CAPE



Isn't That

Special!

Special things happen to special people. The school seemed to have its share of special happenings this year. Special teachers returned. What a pleasant surprise awaited the SENIORS when they found out Mrs. Washington was back to teach English. The return of Mr. Novicki gave a big boost to the Sports Medicine Program.

As we come and go, we share special moments with our peers, teachers, and administrators. There were times we were sad, but we all came together as one. There were time when we were all getting away, but we managed to come together and control ourselves.

Special relationships have been developed to share love that will last over a duration of time. Love is something that we all should experience, because love stays with you throughout your life. As the years move on, we all tend to grow closer together. New friendships begin, and some friendships end. But no matter what, we will always be friends. That's why we're special.

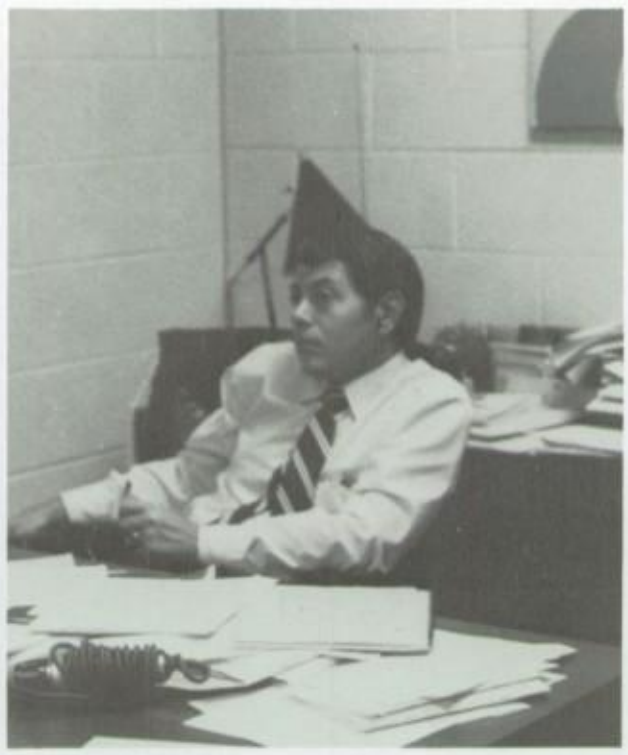
Farewell John Maher Hello Doris Frye

Mr. John Maher was not only an outstanding principal, but a friend to us all. He has been the principal of this school for seventeen years. This school started out at Roll Hill. Then it moved to its present location as Cincinnati Academy of Physical Education. Today it is known as CAPE. All this is a result of the work and effort of Mr. Maher.

He started a very unique program. He helped this school become what it is today. Dedication and hard work is what he believed in. This school would not be where it is today, if Mr. Maher had not been our principal. Due to a medical problem Mr. Maher has retired. Mrs. Doris Frye was appointed the interim principal in January. All those associated with the school welcome her appointment but we'll always cherish the place Mr. Maher has established in our hearts.



ACTIVITIES ACTIVITIES ACTIVITIES

Set It Off — '88!

The Homecoming theme for this year was "Set it off 88". Like other years at CAPE the annual festivities took place during that week. They were: Senior Appreciation Day, Dress Up Day, Business/Adult Day. and on Friday, the Olympics and the annual parade and carnival. The Olympics included an egg toss, balloon toss, football toss, and tug-of-war. The carnival was highlighted by numerous sale booths including hot chocolate, hot dogs and candy. The photography class took pictures while the junior class "married" students.

Everything was set for a perfect evening, but a minute before the game ended, it was announced the dance had been cancelled. Unfortunately CAPE was defeated 28 to 6 by the Ironton Tigers, but Crusader spirit remained high. Despite everything else, congratulatiions are in order to the Homecoming King and Queen: Tim McFadden and Jewell Johnson and to the rest of the Homecoming candidates. Too bad they didn't get to reign at the dance.

All Dressed Up And No Place To Go

Homecoming Dance Cancelled At Last Minute

It started out a perfect day at C.A.P.E. Homecoming was sure to be the best ever. Laughter and enjoyment filled the air. The "Set it off 88" dance was on its way!

At 7:30, it all began — C.A.P.E. vs. Ironton. The final score was 6-28, but the enthusiasm remained high. The king and queen were announced at half time. Tim McFadden and Jewell Johnson were the winners. With a minute left in the game and fans dressed to a tee, it was announced that the dance had been cancelled!!! The disc jockey did not show up. Disappointment was written on everyone's face. How could this be? Here we were, all Dressed Up and No Place to go!

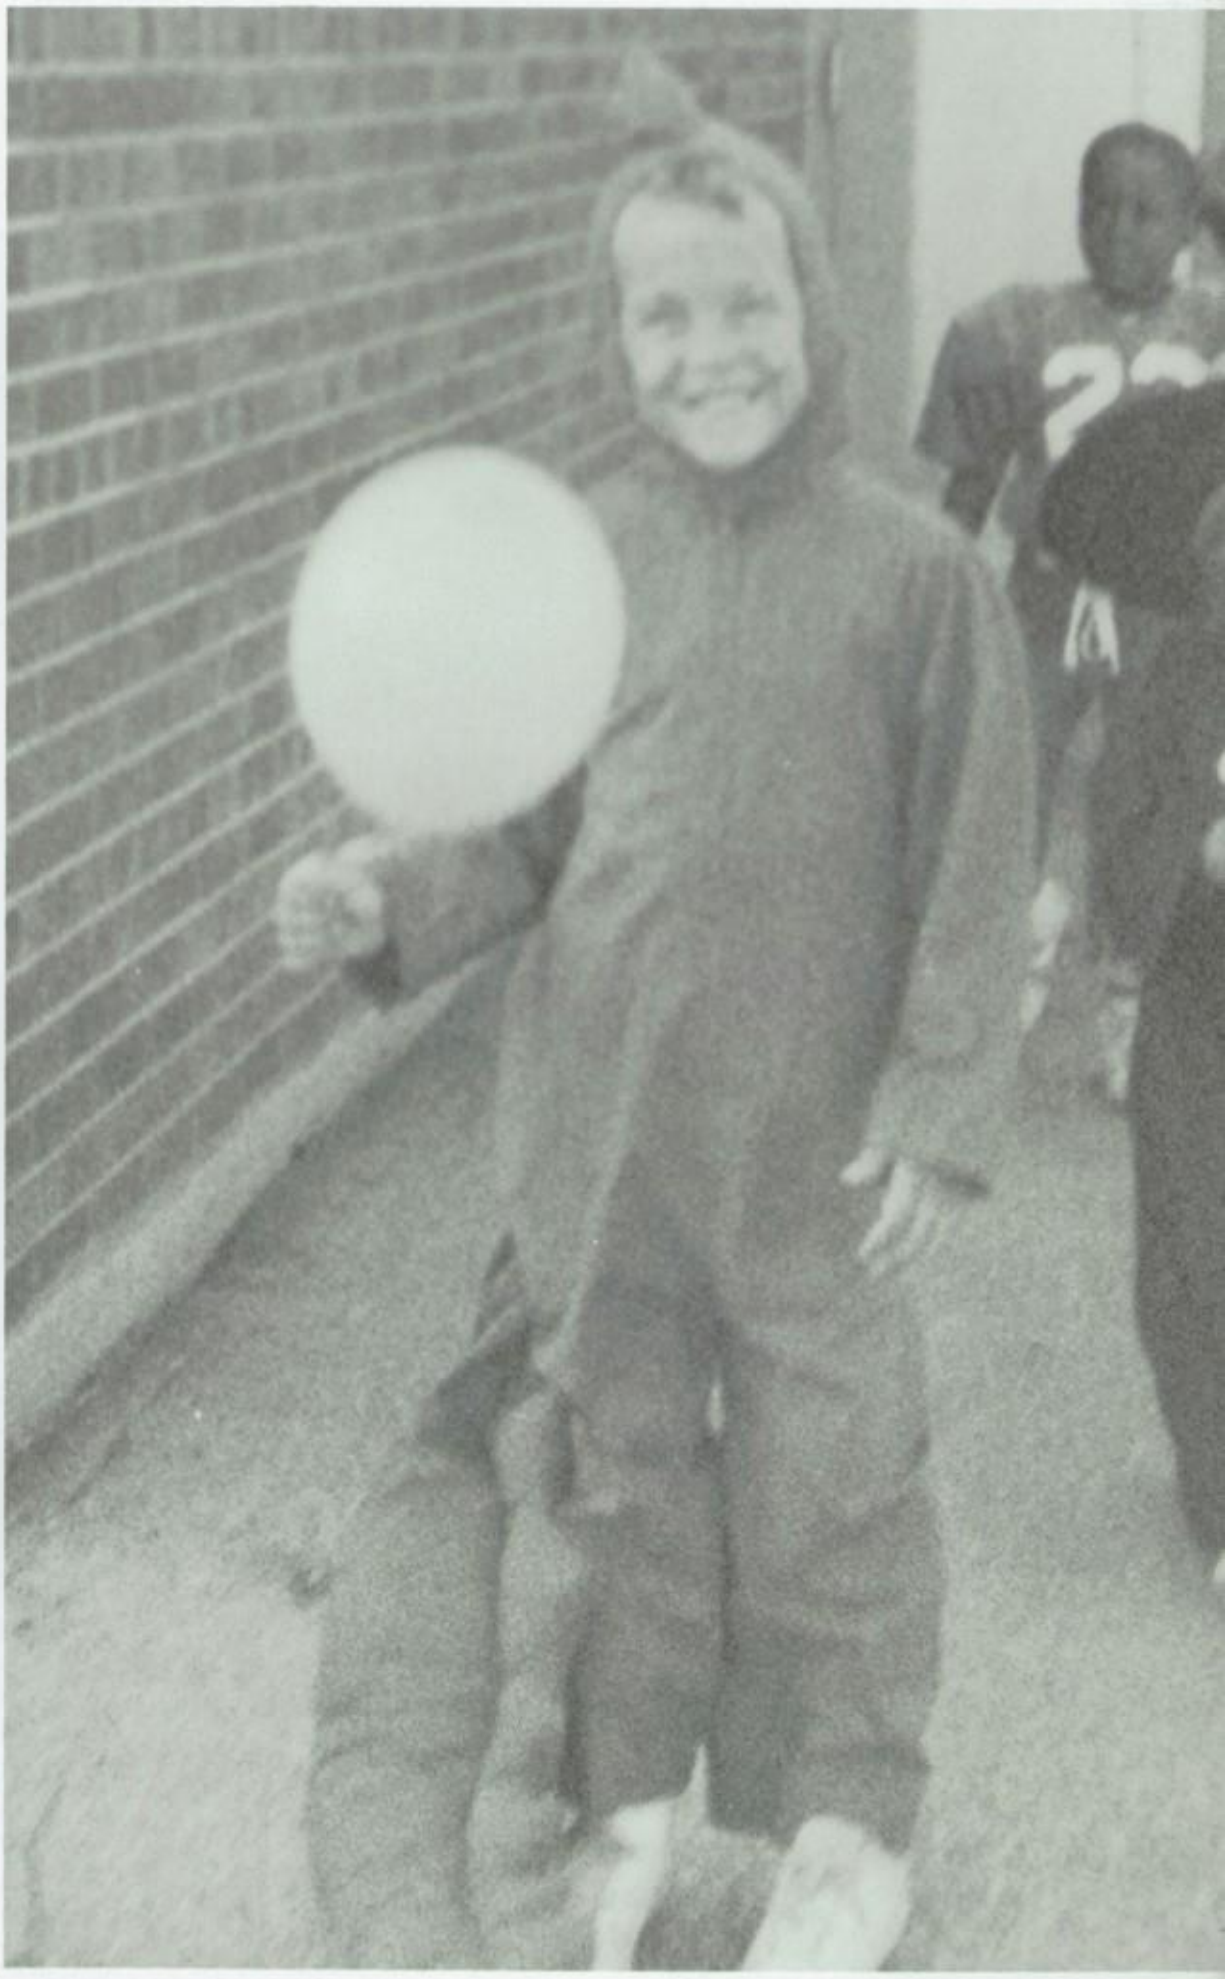
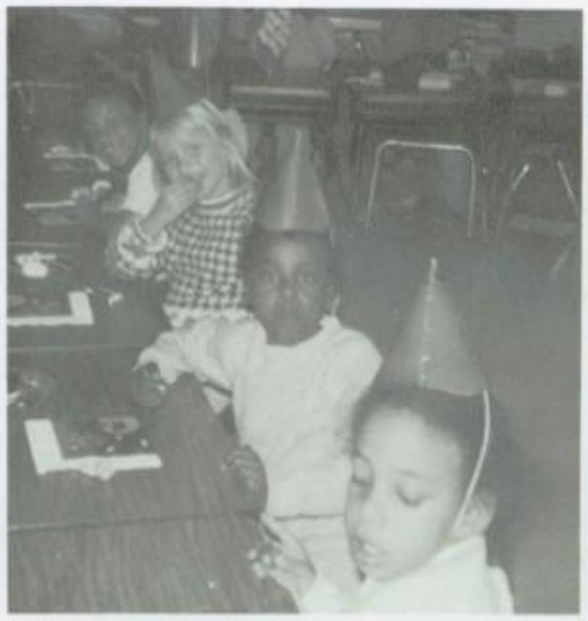
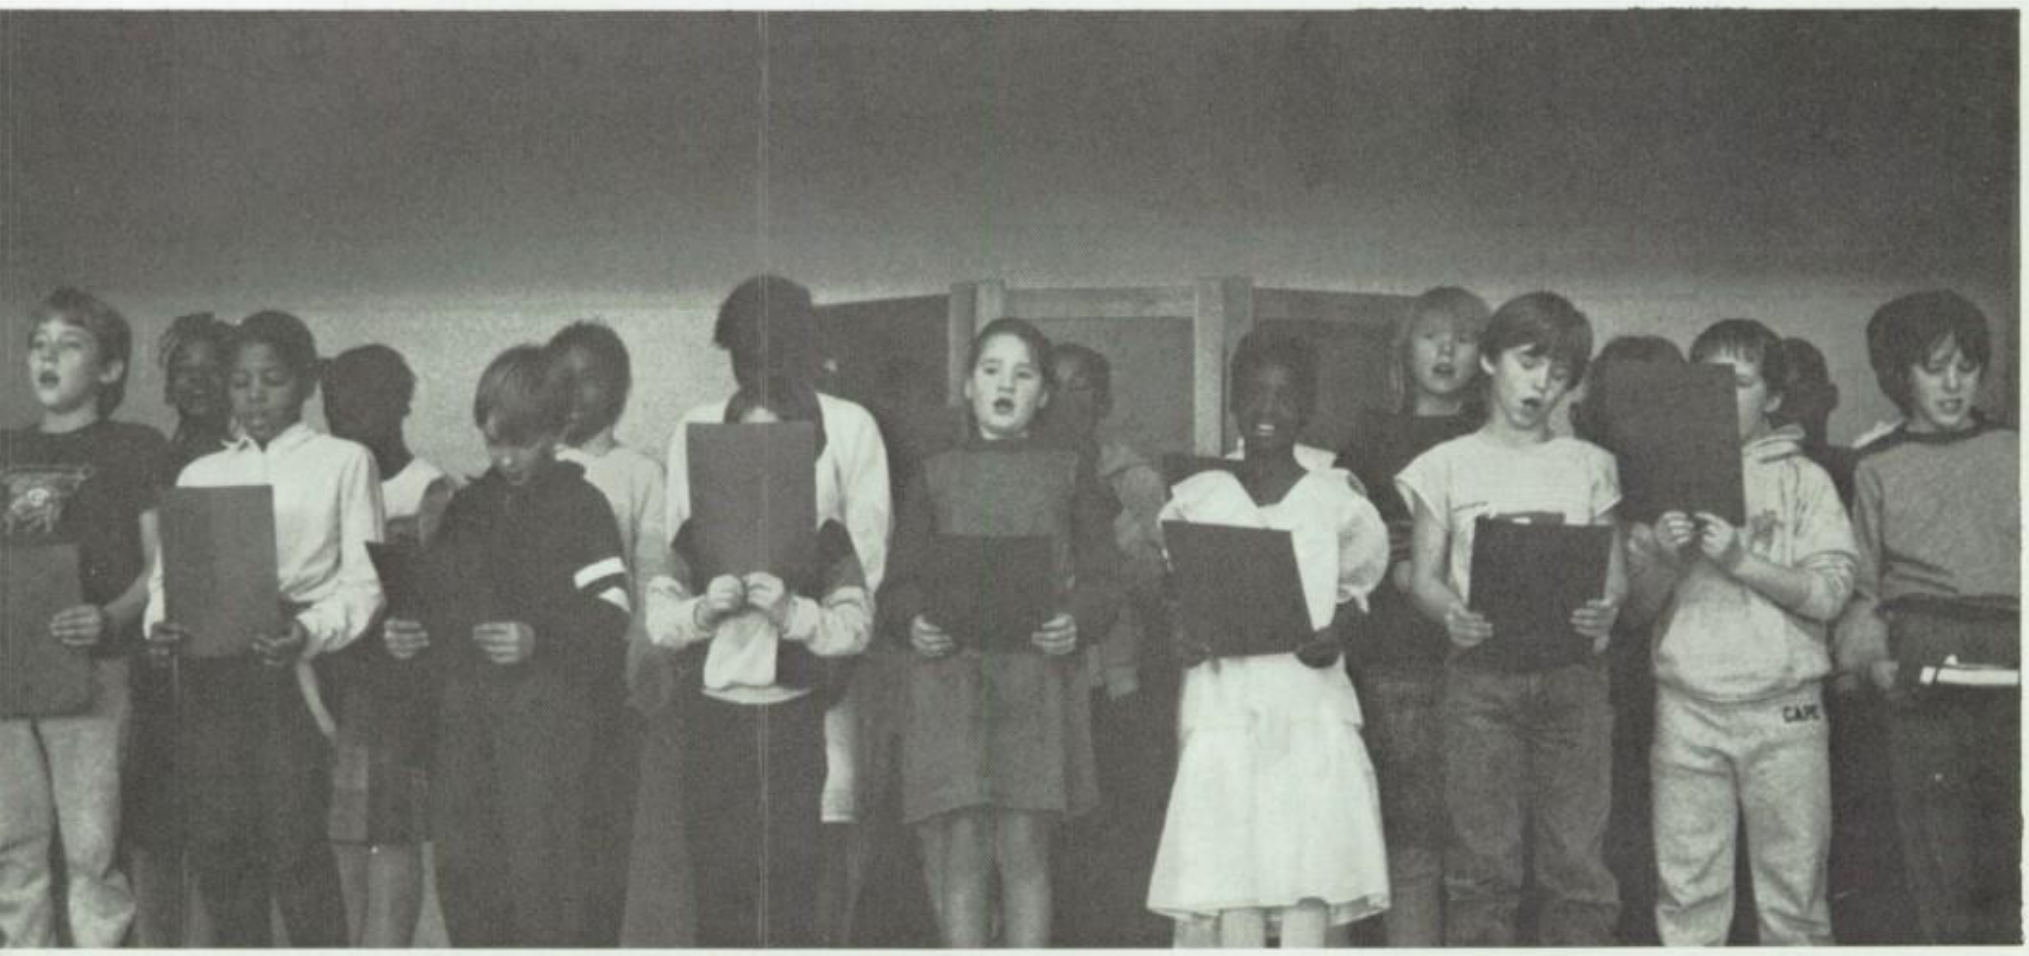
Nightmare On Winneste

October 30 and the spooks are out. Even though Halloween was on Saturday this year, the primary got a head start on Friday the 30th. The excitement was building until the moment to get dressed up arrived. All of the kids, and even a few teachers got decked out for the scary occasion. Witches, ghosts and mont monsters abounded everywhere. Activities included a parade, class parties, and a balloon launch. The afternoon began with a parade of costumes. Everyone saw the scariest, the prettiest and best costumes. The fun continued as the parade dispersed into class parties. Cupcakes, cookies, candy, and punch gave a preview of the next night's fun. Magic, laughing and games went on until the highlight of the afternoon, the balloon launch. Each spookster received one, and at the same moment the balloons were released, forming a lovely rainbow of color. The kids wished each other good luck with trick or treating, then piled on their buses to await Halloween!







Santa Claus Is Coming To Town

Merry Christmas! Happy New Year! Cheery Holiday greetings rang throughout the halls of CAPE Annex. The children were eagerly awaiting the coming of the holidays, and you could feel their excitement in the air.

They celebrated their excitement by putting on a "Christmas Around the World" program, and with Christmas parties. Even with this fun, the littlest Crusaders couldn't wait for the holiday break to start. Visions of cookies, candy, and presents were swirling through their heads. With Christmas Spirit and great expectations, the CAPE Annex students went home to celebrate. Joyeux Noel!!!!!

Seniors Get Spiked

The 4th annual Senior/Faculty Volleyball Game took place January 22, 1988. Answering the Seniors challenge, the Faculty joined together for yet another exciting match. Due to the talents of Mr. Shibinski and Mr. Christoph, the teachers came out on top once again. With scores of 15-7 and 15-3, it was obvious that even the superb efforts of some outstanding SENIORS could not rise above the teachers' desire to win. The excitement reached near chaos, but a good time was had by all.

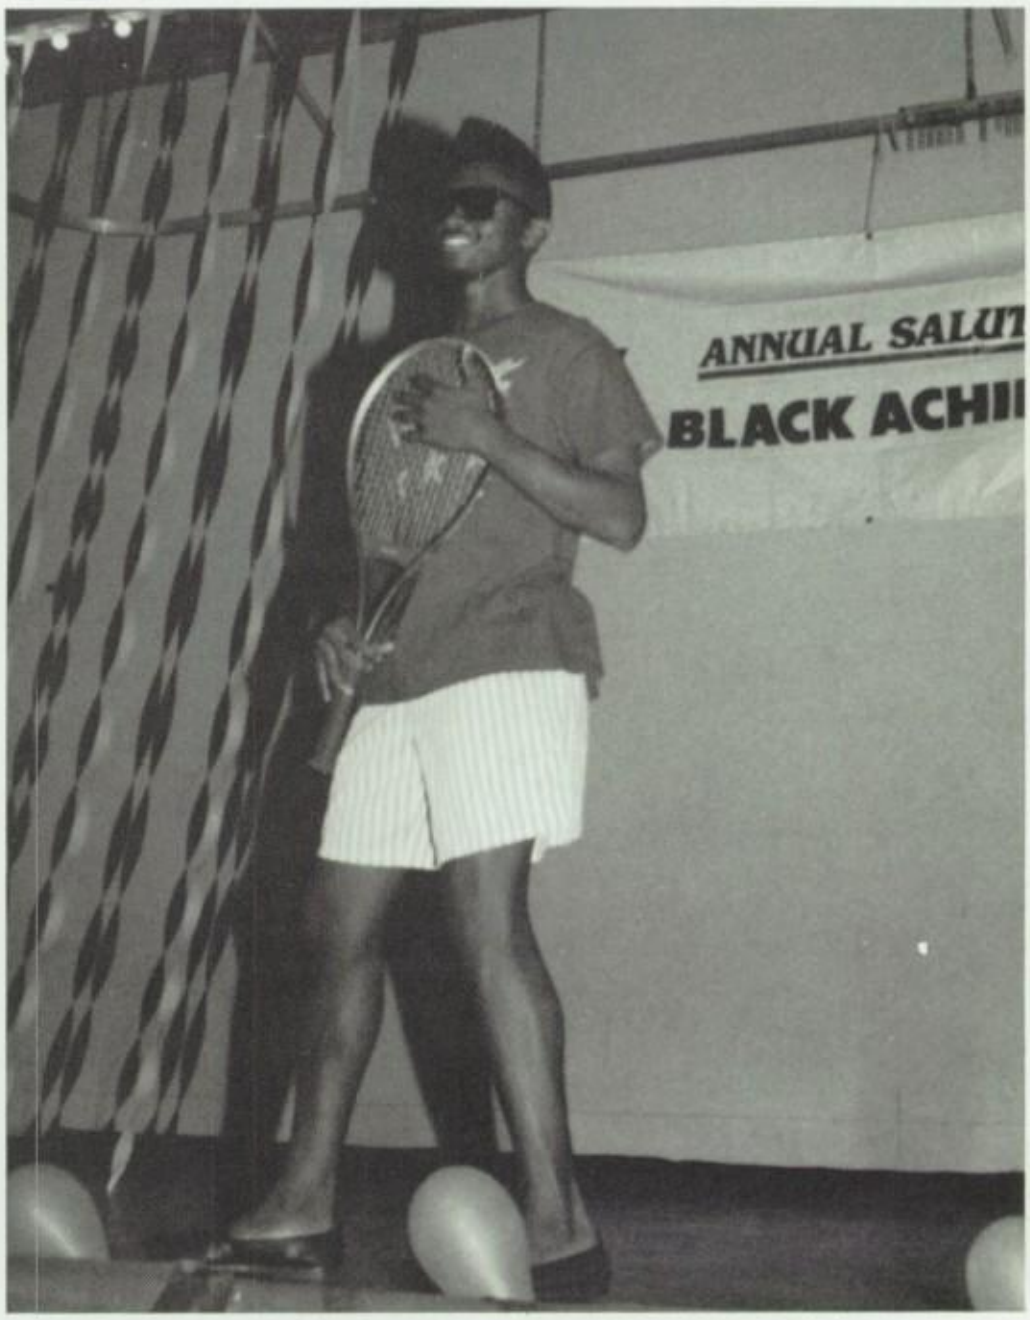
Honor Students Recognized

In order to be successful, you have to give of yourself. This means sacrifice — sacrifice of time and energy. No one knows this better than the attendants of the Honor Society/Honor Roll Awards Banquet. In order to attend, students must have had a "B" average all year. This is no easy task. It means doing homework when you'd rather be doing something else. It means studying for that big test when you would rather be watching "Win, Lose, or Draw". Being an honor student takes dedication, determination, and most of all, hard work. Mr. Larry Diersing, head of counseling, and Mrs. Denise Anderson, advisor of the National Honor Society, coordinated the awards and ceremony. The banquet was held at the Bounty Buffet restaurant. Special thanks to Reverend Harper for his lovely benediction.



Outburst '88

Black Achievers put on its first annual fashion show — Outburst '88!. It was a big success. There were over 200 tickets sold. It took place at the Downtown West End YMCA. There were great entertaining acts such as: Mr. Steve Kern, playing one of the favorites on keyboards — Somewhere Over the Rainbow. Janel Steele with her dynamic voice, sang a very inspirational melody for the guests. But the most dynamic of them all were the models. There were a total of 11 girls and 4 guys. They started out with a business scene with "Minute by Minute" playing in the background. There was also a playwear scene. Guys feast your eyes on this . . . there were some of the sexiest girls in the world up on stage with very sleek and silky swimsuits. The Grand Finale was a wedding scene.

Journalism Classes Step To A Different Beat

Whether it's not being able to find the right picture, or the words for a story just won't come, the Journalism classes have their work cut out for them.

The job of the C.A.P.E. *Connection* Staff is to keep us informed of what is happening in our school. They bring us info on everything from sports to our horoscopes, senior spotlight to teacher feature, informative editorials to fun gossip. This year, the *Connection* underwent a few changes. Miss Farish took over as advisor when the former advisor, Mr. Ammerman, left to teach primary. In addition, there are several new members, including a cartoonist.

The counterpart to the newspaper staff is the yearbook staff. Each year, there is a new staff, this means starting from scratch. Miss Judy Deiters has to teach each new staff the art of putting together a yearbook. From setting up each page, to writing the stories, there is a lot of work involved. It truly is a student production!

Music And Song Make The School Go Round

The gospel choir's soulful sound will stir you up! The cheery voices of the elementary choir can pick you up. The senior choir will bring a smile to your face, and the band plays a stirring Alma Mater. Mr. Steve Kern and Ms. Yvonne Gibson head C.A.P.E.'s music departments. They organize all of the fund raisers, activities, and programs the music departments participate in. They get everyone to work hard and practice, practice, practice! Through their many talents, and the talents of all those who participate, they help music to bring out the best in all of us here at C.A.P.E.!

Black History Month Sets The Mood For Quality

February is Black History month. During this time, many great Black achievers are recognized, and their achievements are shared with the world.

This year at C.A.P.E. there were two Black History programs. Mrs. Lavonne Washington was in charge of "The History of Black Literature" program. Poems from Langston Hughes, Nikki Giovanni, and many others were recited. There were dramatic readings from Ma Rainey and Martin Luther King Jr. A scene from the movie "The Color Purple" was also performed. Ms. Yvette Farrish and Ms. Sharon Daniels were in charge of "The History of Black Music and Drama" program. The play "A Raisin in the Sun" was wonderfully presented under direction of Ms. Farrish. Ms. Daniels directed a super dance done to the sounds of Gladys Knight's "Love Overboard."

Everyone's spirits were high, and peace and happiness were in the air. As we pray for total peace and equality, let's stride to make the world a better place for you and me.

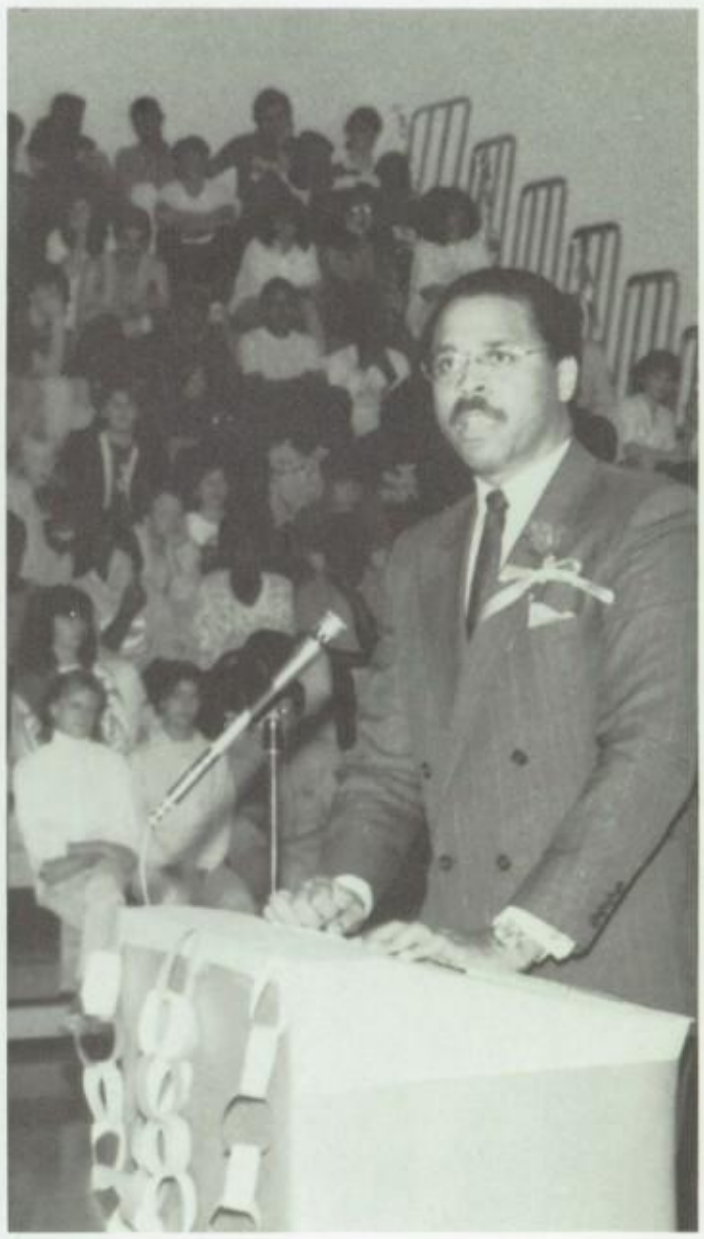
Athletes Strive For The Best Of Both Worlds

Combining high academic standards with a determined effort for the strongest physical education and athletic programs is the task of CAPE. In its second annual assembly to honor CAPE's student athletes, the Drill Team walked away with honors. Its advisors, Mrs. Jane Clayton and Mrs. Chalet Dickinson, showed their pride in the academic achievement of their group. Guest speakers at this year's assembly came from the wider Cincinnati community. Dr. Lee Etta Powell, Superintendent of Cincinnati Schools, welcomed the other guests who included Councilman Ken Blackwell, Judge Nadine Allen, and Ohio State's former Heisman winner Archie Griffin. Miss Gerth and Mr. Breiner served as MCs.



Learning To Share At Camp Joy

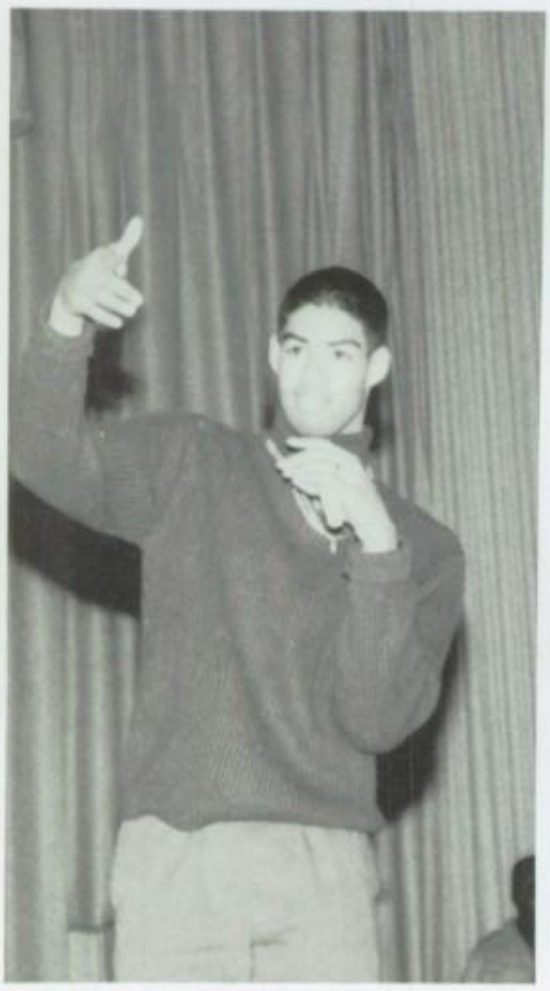
It's a brisk November day, and the 5th graders of Mr. Ammerman's Language Arts class set out for Camp Joy. They loaded up their sleeping bags, toothbrushes, and warm clothes onto the bus to head for a week full of fun.

Camp Joy's program is centered around learning about and taking care of nature. Hiking, outdoor games, and nature crafts are just a few of the activities used to enhance the campers' nature appreciation.

The kids had a lot of fun, and learned a lot, but by the end of the week, they were tired and ready to come home.

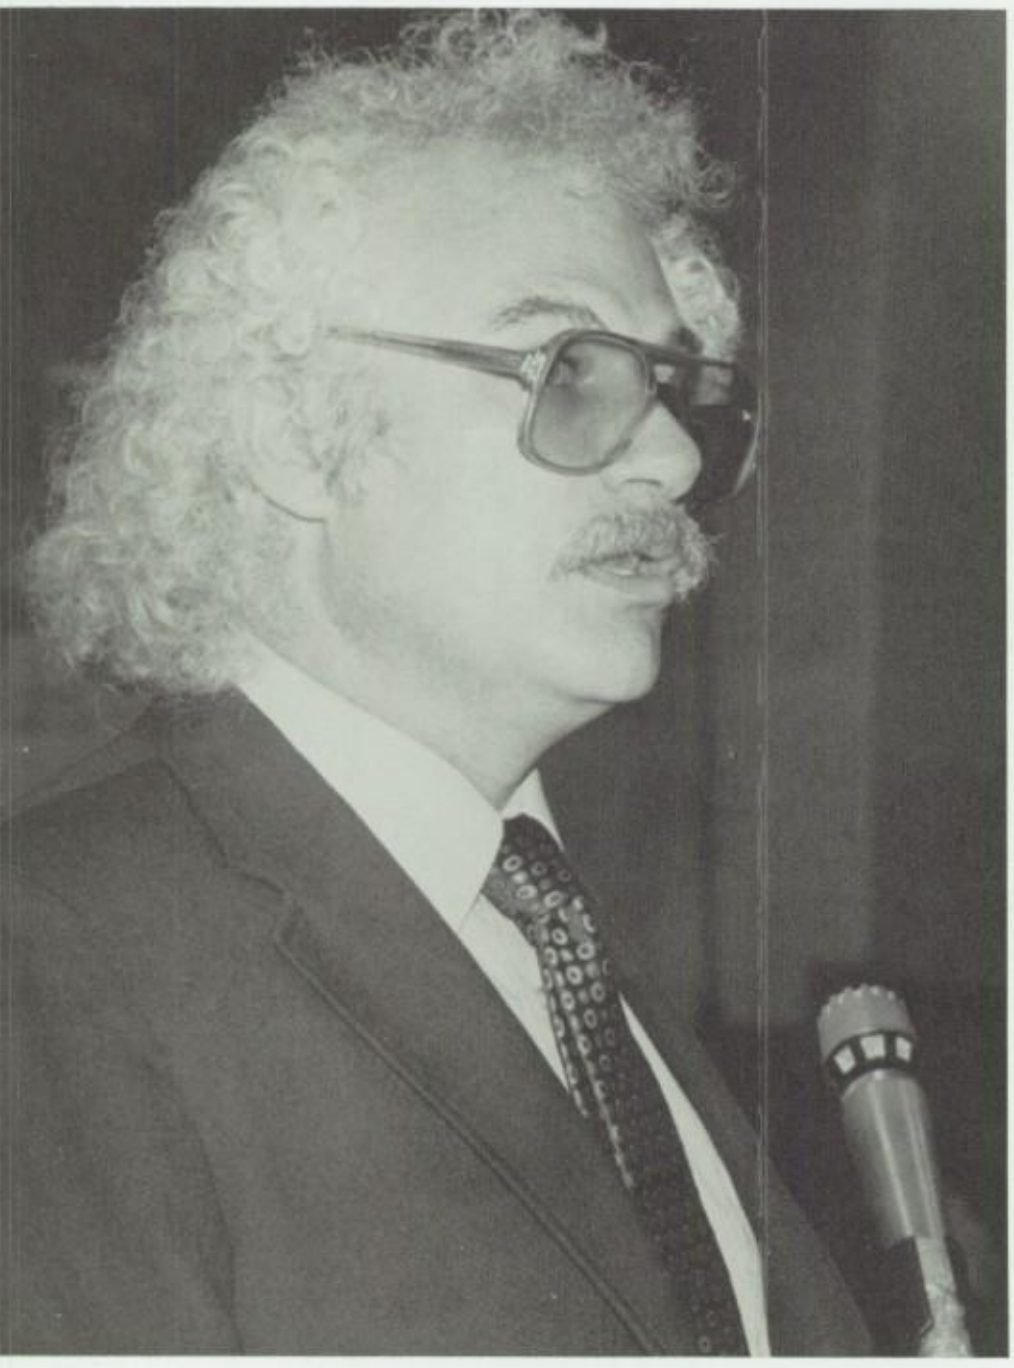
Demontre Lewis Reigns As Champ In '88 Spelling Bee

It was a real tough one this year. The participants were prepared for the challenges of the words in which they were given, but someone had to win and someone had to lose. Well, we're down to the final five contestants — Evan Lohbeck, John Lamb, Demontre Lewis, Martis Scott and Chakita Furr. The contestants go through two rounds before someone misspelled a word. Now we're down to the top three contestants — John Lamb, Demontre Lewis, and Chakita Furr. It didn't even go one round before one of the contestants was given the ticket to leave. So, now we're down to our two finalists — Demontre Lewis and Chakita Furr. They both misspelled the word q-u-a-v-e-r. So, we now go into another round of play. Chakita misspelled suffocate, and if Demontre spells it right, he would have to spell one more word and he would take on the title of Champion. Demontre, spell "suffocate." S-u-f-f-o-c-a-t-e. That's right. Now to become champion spell "tactful". Tactful, t-a-c-t-f-u-l. Demontre Lewis, congratulations! You're C.A.P.E.'s 1988 Spelling Bee Champion.



Marlin Stewart Wins "Puttin' On The Hits"

The Sophomore class of 1988 put on their biggest fund raiser of the year. They hosted a "Puttin' on the Hits" Show. There were over 60 sophomores involved in the making of this great success. There were over 15 acts anxiously waiting to perform in front of the "standing room only" crowd. The show started off with Corey Cook lip syncing "I Wanna Be Your Man" and he also took second place in the overall competition. There were a lot of great acts. So, that made it extra tough for the judges. But, the judges had to make a decision, and they were some great judges. The judges were as follows . . . Lisa Votaw-Bailey, Yzvetta Farrish, David Price, Carol Roberts, and Kathy Spratley. The MC for the evening was none other than Mr. Jim Engel. Mr. Steve Kern assisted the show with all of the music equipment. The show ended with announcing of the winners by Mr. Engel. It went as follows . . . Third place goes to . . . Willie Spikes and Derrick Edwards — "Paid in Full." Second place goes to . . . Corey Cook — "I Wanna Be Your Man." The winner of the 1988 "PUTTIN' ON THE HITS" CONTEST is MR. Word-Up himself, Marlin Stewart.



P.S.A.L: Sixth Graders Take The Challenge

Each year, CAPE is host to the city-wide elementary schools' track meets. Every day for the fun-filled week, different schools come to compete in events such as the 40 meter dash, team relay races, and soccerball kick and throw. CAPE student volunteers time the races, measure the kicks and throws, and this year CAPE's Sports Med. students assisted with first aid. At the end of the school year, each school passes out ribbons and certificates to the elementary competitors who place 1st, 2nd, or 3rd.

Primary's Play Day Highlight Of Spring Activities

Spotlighting Seniors On Class Day

Class Day is special. On Class Day, the Seniors are honored for having met the challenge of graduate. Their special achievements, both academic and athletic are recognized.

There were numerous recipients of academic department awards. Winners of the Presidential Academic Award were Mike Burke, Mondai McBurney and Trish Pevely. Rachel Lickey won the Leadership Award.

The highest award went to Mike Burke and Mondai McBurney, winners of the coveted Nora Thompson Award. Tim McFadden and Marty Morlock were awarded the Excellence in Physical Education Award. As always Class Day remained the constant reminder that academic achievement is what school is all about. Those seniors who received recognition can be justly proud of their accomplishments.

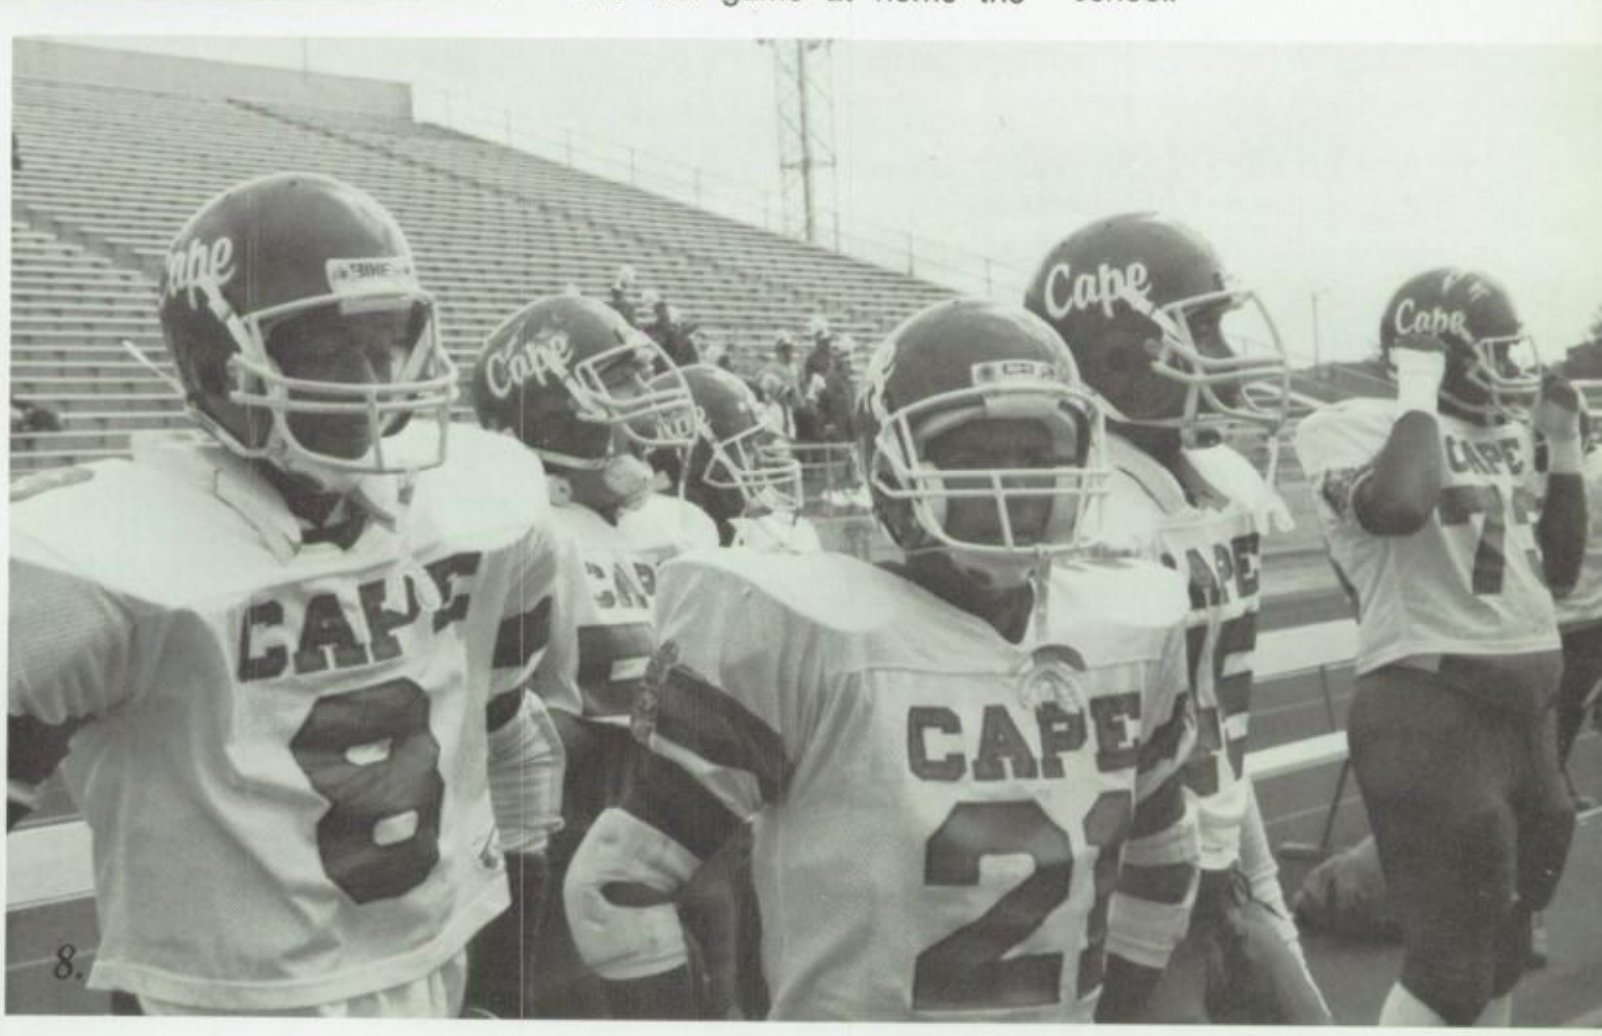
Playoffs Again

After a state championship season like last year, Coach Steve Sheehan had a difficult task ahead of him. Nevertheless, Charles McBerry, Alonzo Perdue, and Aaron McMillan, the captains, led the team to an impressive 6-4 record and a playoff berth.

This year the team traveled nearly a 1000 miles to play teams in Dayton, Columbus, and Canton. They went to Dayton twice to play Dunbar and Alter. Dunbar, an aggressive and quick team wore out the Crusaders with a 48-6 loss. But the trip to play Alter was different. Coach Sheehan and his assistants got the Crusaders to play an aggressive and tough game beating Alter 19-12. The team went to Canton with high hopes to beat St. Thomas Aquinas but lost 22-15 in a hard fought match. The trip to Columbus proved that the Crusaders could tear apart a team like they did to Northland. It was a tremendous victory 41-14.

The first game at home the Crusaders played Lawrenceburg and came away with a 14-6 victory to begin the season. Week 2 brought Taft to play the Crusaders at home, it was a hard hitting game with CAPE winning 21-20. The next week CAPE played Forest Park at Forest Park. The Chargers, a very strong and fast team beat CAPE 41-7. After traveling throughout Ohio for weeks 4-7, week 8 had CAPE playing its arch rival — Ironton, losing 28-6. The next game against Withrow, might have been the best game of the year. It was a defensive battle, with CAPE winning 7-6. The last game of the year CAPE outplayed Woodward beating them 29-0.

With the playoff berth, CAPE was matched to play Forest Park again. But this time CAPE was determined to change things around. Although CAPE lost 20-14 the improvement with the Crusaders from the first meeting was evident. The 1987 season was a success for the team and the school.



Seniors Shine

Although the Crusaders did not win the state title again, they will be losing some great players from the class of '88.

The seniors leaving are: Dion Crockett, Charles McBerry, Tim Mcfadden, Larry Joiner, Michael Brown, Larry Powers, Aaron McMillan, Alonzo Perdue, Corey Coleman, Tim Seal, Shon Stevens, Dion Heath, Burney Jackson, and Chip Wilson.

Volleyball Time

The Varsity Volleyball season for 1987, started out as a fun and exciting year. The ladies were striving to stay on top, but as the season progressed there started to be a few let downs in team spirit, attitudes, and cooperation among the team members.

Compared to last season, the ladies have improved somewhat. The two hardest games in which the ladies really had to show their talents were against Finneytown and Wyoming.

This season was a real lelt down. With only two juniors and one sophomore returning, the team must rebuild for the future.

The MVP for the team was Ruth Tombragel.

Goals Are Set

Although the record of the soccer team shows differently, it had a very competitive season. They lost five games by one goal. All could have easily been won. The soccer team had a 3-12-2 record.

Leadership is essential with a winning team. The team had only three seniors and the pressure on them was increased and the record shows it. Seniors Aaron Flickinger, Tim Jones, and Tim McFadden did what they could and even that wasn't enough. It is a shame to see such a great program headed by Mr. Gardella have a losing record. There were plenty of outstanding performances and distractions from the game, and losses set in.

The year started off playing Western Hills, always a tough team to beat, but CAPE tied them 2-2. The next game was decided by one goal. CAPE lost it to St. Bernard 2-1. The next game CAPE was plagued with bad luck losing by one goal to Taylor 2-1. CAPE's next stop was at Glen Este with another loss 6-1. CAPE was at home playing SCPA next and showed that they can win, beating them 5-1. The next three games were lost to Wyoming, Cincinnati Christian, and Reading. A highly talented Mariemont team played CAPE next and ended in a 2-2 tie. The next four games were lost to West Hi, Madiera, Loveland and Indian Hill. The Crusaders traveled all the way to Little Miami and handed them a loss 3-2. After a loss to Finneytown 6-0, CAPE crushed Deer Park 4-0. Ending the regular season with Amelia and a loss 4-2, CAPE was matched to played Edgewood in the tournament. CAPE played a great game but lost 4-2.

The team MVP was Aaron Flickinger. The best offensive player was Scott Benne. The best defensive player was Jim Wilson. Most improved was Larry Herald, and the coaches award went to Tim Jones.

Gymnastics

The Varsity Men's Gymnastics schedule consisted of ten meets and one invitational. The record was 3-7 and they came in seventh place out of eight teams in the Miamisburg Invitational.

The roster had 5 guys and they were: Rusty Gibson, Corey Glass, Horace Wyche, Sorrells Wyche, and Quincy Vinson.

Sorrells Wyche is ranked No. 1 in Floor Exhibition in the state and averages 9.0. The team had one of the best Floor Exercise teams in the state and impressed many people.

The Varsity Ladies Gymnastics season was a competitive and fun season. Due to the decrease in members, this season was a very interesting but yet a hard season. The team included Coach Miss Ann Rensberger, captain — Richelle Richardson, Co-Captain — Lori Korobkin. The rest of the team goes as followed: Ruth Tombragel, Amy Snellenberger, Tarie Mack, and Kathy O'Keefe. Hopefully next year there will be more participants on the team.

Wrestling

Coming into the 1988 wrestling season Coach Liske knew he would have wrestlers contending for state titles. Brian Harris, Keith Harris, and James Gilbert would not settle for anything less. They did not win state titles but represented CAPE in a way that made us all proud of them.

Each meet CAPE was giving away points because of unfilled weight classes. The 103, 135, 160, 171, and 189 weight classes were unfilled. At 112 pounds was Steve Bailey, and due to an early season injury he was out for the year. At 119 pounds was George Belivanakis and Keith Harris, at 130 pounds was Eric Merritt, at 140 pounds was Daryl Henry, at 145 pounds was Brian Harris, at 152 pounds was James Gilbert and at heavyweight, Andre Carter.

The final records and accomplishments of Keith Harris, James Gilbert and Brian Harris are very impressive. Keith was 28-5-1, sectional and district champ. Brian 29-3-1 sectional and district runner-up. James, 31-2, and undefeated in the regular season, finished third place in the state tournament.

Putting Away

The CHL is probably the toughest league in Cincinnati, and considering that our golf team had a good year. The record was 8-9.

There was plenty of talent and with them returning next year, look for even a stronger finish.

The members of the team were: Dave Beckem, Bob Hiler, Scott Arrowood, Jason Marshall, Shawn Turner, James Wilson, Brian Hergner, Paul Collins and Paul Metz.

The 1987-88 Archery season was full of excitement. The team achieved some excellent titles.

Sonia Bettac was named Outstanding Female Shooter. She placed first at the invitationals, andplaced second at State Finals.

Ken Pullen was another outstanding shooter. Being named Outstanding Male Shooter, Ken placed second at State Finals. He achieved the level of expert archery by shooting a 271 out of 300.

Hoops!!

The 1987-88 Crusader Basketball team had an 11-10 record overall and 10-5 in the CHL.

Coach Holland had only a few players coming back from last year's team — and a tough schedule! But the guys found roles on the team and put together some wins. A problem this team had was height. In every game the Crusaders were giving a few inches in size to the other team.

CAPE had big wins against Wyoming, Reading, Finneytown, Loveland, and Deer Park.

Earl Green was the leading rebounder and scorer. Alfred Stanford was the assist leader. Keith Lunsford had the best free throw percentage. Parrish Stewert was the hardest worker.

Most of the guys will return next year.

Basketball Bounce

The Lady Crusaders traveled on to the top again this year. With the team consisting of 3 Seniors, Marshelle Morlock, Keneedra Hubbard, and Monica Thomas the ladies really struggled to maintain good sportsmanship, leadership, and team work. The ladies carried the ball to the hoop and advanced further alone this year than ever before.

The toughest game on the court was against Wyoming, the school which had it all until the Crusaders took over. This team made it to the District and came out the victors. They made it to the Regionals and lost it by a point. Monica Thomas was chosen to play in the Senior All-Star game. Andrea Smythe was honored by being chosen to the All-City 2nd team. Tracey Canada won Honorable Mention.

Great Outdoors

The Cross Country team made huge strides in becoming a great team this year. They finished 2nd out of 5 teams in the CHL meet and 5th out of 10 teams in the district meet. They were 10th out of 18 teams at the Mason Invitational. They beat Indian Hill and Madiera in a tri-meet.

The 1987-1988 Varsity Tennis team had a 2-15-1 record overall and a 1-7 record in the CHL.

The team was improved from last year and worked a lot harder.

MVP and League Honorable Mention went to M. Burke. Most Improved went to G. Belivanakis.

The Track Troop

The Crusader men had an eventful track season. Throughout the season, many questions to burn about whether they'd do well in the state. Under new head coach Paul Davis, things progressed well. And to the delight of everyone, Jude Johnson finished third in the State 200m dash. It was a season of ups and downs, but it certainly ended on an up!

Second In State

The season saw two big accomplishments for the Girl's Track Team. Number one, the team finished second in the state. Secondly, Michelle McGruder at 100m, and the 4X100 relay team each took first place in the state. It was Michelle's third straight individual championship!

The "88" season was one hard season. The ladies improved gradually as the meets extended into late May and early June.

The two most difficult meets besides the tournament, were the Trotwood Invitational and the Dayton Memorial. These were the meets the ladies looked forward to all season. Richelle Richardson stated, "This is when we all learn more, and push to work harder with the 'big' kids."

The girls dedicated the season to their coach, Jim Engel. His dedication was especially appreciated by the Class of '88.

Spring Fever

When leaves start to show on trees and grass turns green, it is spring time and baseball.

It seems that whenever our team is projected to do well, they don't. The team had a number of players returning and they thought they would do well. But with a few mishappenings, the team finished with a 16-13 record.

For the first half of league play, CAPE ruled the league. They were in first place and on top of the world. But things started to happen and things changed. It was a loss here and a loss there. The team took a dip and fell out of first place for the rest of the year.

CAPE was matched to play Indian Hill in the tournament. They thought they had won the game before it had started. But just like everything else, you can't rest on your laurels!

Up At Bat!

The '88 Softball Team ended the season with the same number of wins as in '87. This may not show improvement on paper, but this was an improved team, And since it was a young team, Coach Bailey can't wait until 1989. Only two girls graduated from this year's team.

The team had good hitting and was capable of scoring many runs each game. However, lack of a solid defense and errors in the field caused too many runs to be scored against them.

Julie Newman and Ruth Tombragel were named co-MVPs. In the voting for all-CHL, Ruth made First Team. Julie made the Second Team while Missie King was selected as Honorable Mention.

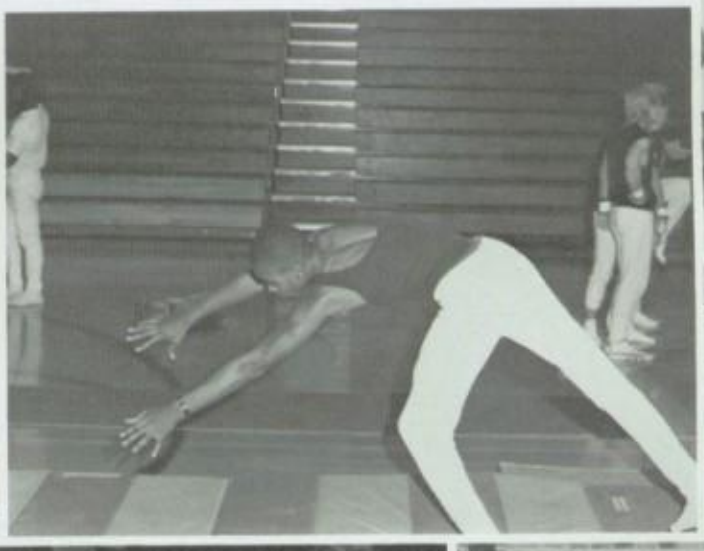
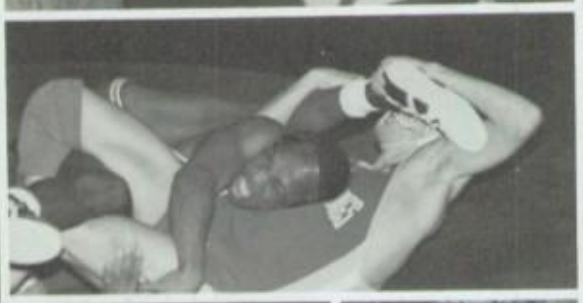
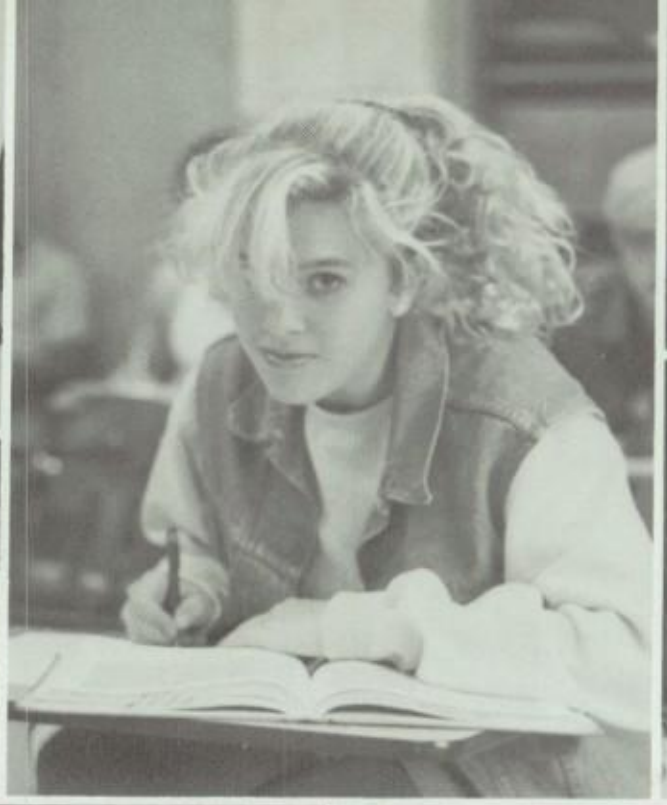
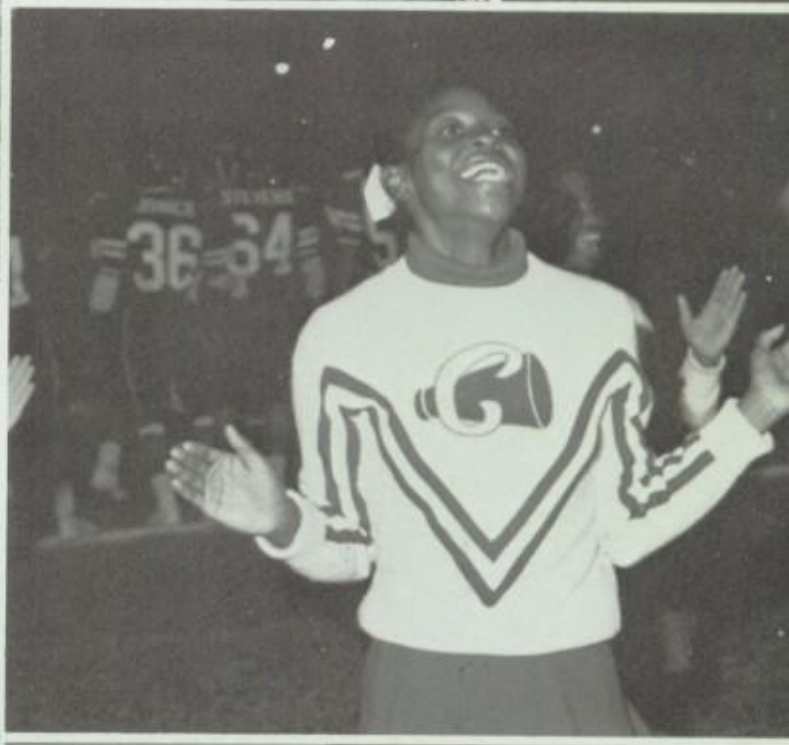
A Year To Remember









ALMA MATER

Second to none,
Our Alma Mater, C.A.P.E.,
Pillar of strength
And source of all our truth,
With us you stood for brotherhood.

Your knowledge is our light
And wisdom gained with us remains
For we shall seek what is right
Proudly we hail,
We sing your praise.
Academy we pledge our loyalty,
Academy we pledge our loyalty!
